**Re: Sauget Sites Area I - January 21, 1999 Administrative Order by Consent (AOC)  
Monthly Report February 1 – February 29, 2004**

Dear Mr. Fayoumi,

Enclosed is the Sauget Sites Area I Monthly Report for the February 2004 reporting period. This submittal is in fulfillment of the monthly requirements of Section 2.4 Reporting, of the January 21, 1999 Final Administrative Order by Consent for Sauget Sites Area I, Sauget and Cahokia, Illinois.

As you know, Gary Vandiver the former Project Coordinator for this project, has taken early retirement from Solutia Inc. Additionally, negotiations are on-going with Monsanto/Pharmacia (with the U.S. Department of Justice acting as intermediary) as to the future management and financing of this AOC work in Sauget Area 1. We are hopeful that the parties will come to an agreement in the very near future on these issues, including the appointment of a Project Coordinator.

Sincerely,

A handwritten signature in black ink, appearing to read "Steven D. Smith". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Steven D. Smith
